## **Gary Marks joins RE/MAX Realty Affiliates**

Businessman and entrepreneur Gary Marks has joined RE/MAX Realty Affiliates. Marks brings a wealth of experience and knowledge to the RRA team.

After earning a B.A. from Long Beach State, Marks spent five years playing professional baseball for the St. Louis Cardinals. His career includes 30 years in sales and marketing for 3M Company and as a business owner of a records management company.

“I believe my background has been instrumental in helping me achieve goals throughout my professional career,” said Marks. “I am excited to be part of the RE/MAX Realty affiliates team because they represent a team of proven professionals and are selective in whom they choose to work for them.”

In order to better serve and protect his clients, Marks has advanced his industry education and has obtained the following professional designations: Graduate Real Estate Institute (GRI), Accredited Buyer Representative (ABR) and a Property Previews Specialist dealing in Luxury Homes.

“I’m excited about the real estate industry and look forward to continuing to do my best to help educate sellers and buyers in their real estate investments and to get them the best possible deal while protecting them as much as possible from potential problems,” added Marks.

Marks is a member of the Reno Elks Lodge and enjoys playing golf and spending time with his wife, Cheryl and their grandchildren.

RE/MAX Realty Affiliates has quickly grown to be the second highest producing office as recognized by Northern Nevada Regional Multiple Listing Service. Marks joins approximately 50 other Agents who comprise the top producing office. For more information about becoming a RRA agent, contact Amy Lessinger at 327-9910.
