### **RE/MAX REALTY AFFILIATES AGENT AWARDED CERTIFIED RESIDENTIAL SPECIALIST DESIGNATION**

**(Reno, Nev.)--** Sue Leonard, a REALTOR® at the Reno office of RE/MAX Realty Affiliates, has been awarded the prestigious Certified Residential Specialist (CRS) designation by the Council of Residential Specialists, the largest not-for-profit affiliate of the National Association of Realtors.

REALTORS® who receive the CRS designation have completed advanced courses and have demonstrated professional expertise in the field of residential real estate. Fewer than 38,000 REALTORS® nationwide have earned the credential. At RE/MAX Realty Affiliates, 30% of the agents hold their CRS designation, while only 5% of agents in the United States hold the designation.

Home buyers and sellers can be assured that CRS designees subscribe to the strict REALTOR® code of ethics, have access to the latest technology and are specialists in helping clients maximize profits and minimize costs when buying or selling a home.

“The CRS program incorporates a number of modules relevant to the real-estate profession,” said Leonard. “Having this designation gives me a higher level of experience and allows me to perform a vaster array of services for my clients.”

In addition to the CRS, Leonard holds the Accredited Buyer Representative (ABR) and e-PRO designations, and is a Certified Feng Shui Consultant. She is also a member of the Reno-Sparks Association of Realtors. Leonard can be reached at 775-720-0897.

RE/MAX Realty Affiliates has quickly grown to be the second highest producing office as recognized by Northern Nevada Regional Multiple Listing Service. For more information about becoming a RRA agent, contact Amy Lessinger at (775) 327-9910.
