### **RE/MAX Realty Affiliates Places on 'Top 25 of Nevada' List Three Consecutive Months**

**(Reno, Nev.)** – RE/MAX Realty Affiliates is proud to announce the agents and teams who placed on the “Top 25 of Nevada” lists for June, July and August. The David Morris Group and Tom and Penny Reardon placed in June; and the David Morris Group and The Lessinger Team placed within the top 25 for July. In August, The David Morris Group, The Lessinger Team and Linda Averett were among the top 25. Teams and individual performers are ranked based upon their sales volume and compete against all realty teams in Nevada.

David Morris, a Nevada REALTOR®, recently welcomed his daughter Shauna Morris to the team. With more than 30 years of experience in the market, David Morris understands how important it is to be included within the top 25.

“It is great to know that our hard work and positive attitude is paying off,” David Morris said. “Working with such an amazing team and earning this prestigious placement only solidifies the knowledge and experience that we have when working with this market.”

Tom and Penny Reardon, both previous executives in the telecommunications, printing and hospitality industries, have resided in Nevada for the past 17 years.

“The northern Nevada community offers an ideal quality of life and it is a great place to build a thriving business,” Tom Reardon said. “We work almost 100 percent by referral and we would not have been listed without help from our previous clients.”

For over a decade, The Lessinger Team has helped hundreds of families move in and out of homes in the Reno/Sparks area.

“It is a great achievement to place in the Top 25,” said Amy Lessinger, broker and co-owner of RE/MAX Realty Affiliates. “We are very proud of each of our hardworking teams and individual agents. The fact that many of our agent teams placed on the list three months in a row really shows how committed we are to enhancing the real estate market in northern Nevada.”

Averett has lived in Reno for most of her life. She opened her first business, a retail health food store, at the age of 21. After opening seven retail stores and with a wealth of
