## **RE/MAX Realty Affiliates Reaches Record Sales While Helping Area Families**

**(Reno, Nev.)** – For four straight months, RE/MAX Realty Affiliates has peaked record home sales. In the process, the various teams and individual REALTORS® that comprise one of the area’s top real estate companies have also helped hundreds of families.

“Knowing that we are reaching record sales numbers is definitely gratifying but, knowing that we have helped a record number of families in our community make the moves they wanted to make solidifies our mission,” said Amy Lessinger, broker and co-owner of RE/MAX Realty Affiliates. “Our agents are experienced, with proven track records and resources to navigate through tough market conditions.”

RE/MAX Realty Affiliates currently works with 50 full-time REALTORS® who are experienced, top-producing professionals. With the idea that “outstanding education produces outstanding agents” in mind, RE/MAX encourages its REALTORS® to take advantage of the many programs that comprise RE/MAX University.

“In order to be a successful REALTOR®, education and continued training in the industry are key,” Lessinger said. “We strive to supply top-notch educational tools and programs to our agents to ensure we are providing our very best to each and every client.”

RE/MAX has nearly 115,000 agents worldwide and continues to lead the industry in top markets with cutting-edge technologies like the comprehensive property search engine on [www.remax.com](http://www.remax.com) and the RE/MAX Satellite Network (RSN), that provides Associates with award-winning programming, coaching and training in the convenience of their offices or homes.
