RE/MAX Realty Affiliates Agent Launches The Jan Mackenzie Group

(Reno, Nev.)— RE/MAX Realty Affiliates is pleased to announce that Jan Mackenzie, a licensed REALTOR® with RE/MAX Realty Affiliates, has expanded her real estate business to create The Jan Mackenzie Group. The full-service real estate group now offers expertise and extensive real estate experience to home buyers, sellers and renters.

“We are very excited,” Jan Mackenzie said. “We’re a team of real estate professionals who are all equally eager to help existing and new members of our communities find and sell proper homes. We thrive on long-term relationships and repeat business.”

The Jan Mackenzie Group is comprised of Mackenzie, who has been in the real estate business for over 25 years; Jim Forbus, a licensed REALTOR® who recently obtained his property management certification; Tiffany Skipworth, a full-time office assistant who is in the process of obtaining her real estate license; and, Artak Mnatsakanyon, who is a multilingual contracted consultant of The Jan Mackenzie group.

“At RE/MAX Realty Affiliates, our goal is to help our agents grow,” said Amy Lessinger, broker and co-owner of RE/MAX Realty Affiliates. “To see an agent transform their business into a successful, prosperous group, like Jan Mackenzie has, is inspiring to both myself and all of the other agents that comprise the RE/MAX team.”
