RE/MAX Realty Affiliates Places on 'Top 25 of Nevada' List for November

(Reno, Nev.) – RE/MAX Realty Affiliates is proud to announce the agents and teams who placed on the “Top 25 of Nevada” list for November. The David Morris Group and The Lessinger Team placed within the top teams, and Linda Averett and Lisa Koch ranked among the individual performers. Teams and individual performers are ranked based upon their sales volume and compete against all realty teams in Nevada.

With more than 30 years of experience in the market, David Morris understands how important it is to be included within the top 25.

“It is a wonderful feeling to be among the top 25 of our state’s producers,” Morris said. “It shows that the hard work and dedication portrayed by the REALTORS® that comprise RE/MAX Realty Affiliates is recognized by the many home buyers and sellers in our community.”

For over a decade, The Lessinger Team has helped hundreds of families move in and out of homes in the Reno/Sparks area.

“Placing among the top 25 is such an honor,” said Brian Lessinger, broker and co-owner of RE/MAX Realty Affiliates. “Our agents continually prove that we are the leaders in productivity, experience and education. It is exciting to know that we are unmatched by any other real estate company in northern Nevada.”

Averett has lived in Reno for most of her life. She opened her first business, a retail health food store, at the age of 21. After opening seven retail stores and with a wealth of knowledge in sales, advertising and marketing, Averett became a fully licensed REALTOR®. She also completed her continuing education in law, ethics, marketing and sales, thus earning a Graduate Realtor’s Institute (GRI) certification.

Prior to becoming a real estate professional in 2005, Lisa Koch worked as an escrow officer for 18 years. While she enjoyed working in the title and escrow industry, Koch was drawn to real estate. She has used her background as an invaluable asset to her real estate career, taking the service she provides to an elevated level. Koch was also recently inducted into a select group of residential and commercial specialists in Nevada to earn the esteemed GRI designation.
