RE/MAX Realty Affiliates REALTOR® Earns Global Mobility Specialist Designation

(Reno, Nev.)— RE/MAX Realty Affiliates recently announced that Tony Lyerly, REALTOR®, earned the Global Mobility Specialist (GMS) designation after successfully completing a series of three courses and exams.

“With this designation, I am able to help people relocate both nationwide and worldwide,” Lyerly said. “I offer services for people moving to Reno from around the world and can also assist Reno residents in relocating around the globe. I’ve got a database of worldwide properties to help clients find suitable homes.”

With the GMS designation, Lyerly has already sold homes to people relocating to Reno from Beijing, China, and Rio de Janeiro, Brazil.

GMS designees are required to demonstrate professional mastery in developing and administering assignment policies, managing various types of international assignment cycles and coordinating legal and tax compliance processes. In addition, they also must showcase their abilities to maintain cultural competency in managing international assignees and participate on global teams.

Lyerly joins nearly 2,000 global workforce mobility professionals in 42 countries who carry the GRS designation.

To learn more about the GMS designation, please visit www.worldwideerc.org.

RE/MAX Realty Affiliates is the second highest producing office as recognized by Northern Nevada Regional Multiple Listing Service. For more information about becoming a RRA agent, contact Amy Lessinger at (775) 327-9910.
