RE/MAX Realty Affiliates Ranks Amongst the Top Brokerages in Country
Reno Brokerage Ranked in 2020 Swanepoel Mega 1000 and Real Trends 500 Reports

Reno, Nev., (June 1, 2020) – RE/MAX Realty Affiliates (RRA) was recently recognized amongst the top real estate brokerages in the country in the [REAL Trends 500 Report](#) and the [2020 Swanepoel Mega 1000 Rankings](#) published by T3 Sixty. The prestigious surveys rank brokerages by sales volume, transaction sides and agent count. RRA ranked number 36 out of the Top 50 US brokerages of the REAL Trends 500 Report by most transaction sides per agent and placed 369th in the Swanepoel rankings with sales volume of 885 million dollars.

“It’s an honor to be listed on these rankings and it’s a strong testament to the dedication and hard work of our agents,” said Amy Lessinger, broker/owner of RRA. “This recognition is further motivation to continue to raise the bar in real estate and we look forward to what’s to come.”

The REAL Trends 500, now in its 33rd year, is one of the leading reports ranking the performance of the top residential real estate brokerage firms and is an independently verified source for performance information. With 34 RE/MAX brokerages listed among the top 50, RE/MAX makes up almost 70% of the top 50 when Top 500 is ranked by most transaction sides per agent according to the Real Trends 500 Report. Rankings were calculated by RE/MAX based on 2020 REAL Trends 500 data, citing 2019 transaction sides for the 500 largest participating U.S. brokerages.

RE/MAX was a leading franchisor in representation on this year’s Swanepoel Mega 1000 list with 175 brokerages ranked. Released annually in May, the fifth section of the Real Estate Almanac, Brokerages (Mega 1000), ranks the largest residential real estate brokerages as of December 31, 2019. This year, the report reveals that production is increasingly concentrating among the nation’s 1,000 largest brokerages. In 2019, these companies did 48.9 percent of all existing-home sales volume, up 1.4 percent from 2018 and up 8.9 percent from 2017. Transaction sides of the nation’s 1,000 largest brokerages saw a similar jump.
